CUB SCOUTS

116 YEARS OF SCOUTING 1910 – 2016
97 YEARS OF AMERICAN LEGION SUPPORT 1919-2016
Cub Scout Pack 17 – Wedgefield, FL 32833
American Legion Post 242 – East Orange County
FLPACK17@GMAIL.COM

Dear Parents,

On behalf of the American Legion Post 242, I am excited to welcome you to Cub Scout Pack 17. The American Legion's support for Boy Scouts of America began at the Legion's first national convention in 1919. Today, Legion posts sponsor more than 2,500 Scouting units across the country. This is natural for Legionnaires, who bring their service-learned skills and experiences as veterans to help build character and positive traits in our country's youth. The opening of our new community school provided the American Legion Post 242 a wonderful opportunity to carry on this 97 year tradition of support for such a worthwhile organization.

Community service is at the very heart of The American Legion's core beliefs. The Legion recognizes that the community is an important part of our American way of life and our mission includes fostering a sense of individual obligation to the community, state and nation. This scouting program relies on parent volunteers to run and our children will only get out of it what we are willing to put in. We hope you will explore the many opportunities to get involved and volunteer within the pack.

I would also like to take this opportunity to extend the invitation of membership to the American Legion to those within our pack who are serving or have served our great nation and their families. We are the nation's largest wartime veteran's service organization, committed to mentoring youth and sponsorship of wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continued devotion to our fellow service members and veterans.

We look forward to the scouting year to come and are excited by the opportunity to help this new Pack grow. We are pleased to share the adventures with all of you. Thank you.

Kindest Regards,

John Woodhouse

Dear Parents,

Cub Scout Pack 17 provides a program for boys that helps develop character, trains them in the responsibilities of citizenship, duty to community, and develops personal fitness.

We are proud to provide a foundation for building future leaders of this country by combining educational activities and lifelong values with fun. We hope that the whole family will participate in the journey on the path to Boy Scouts.

Our pack is part of the Little Econ District which is overseen by the Central Florida Council. Our chartering organization is the American Legion post 242 – East Orange County.

We are a completely volunteer-driven organization which relies on active parents helping to make our many events and activities successful and to provide effective leadership to our scouts. Please help us deliver a fun year to our boys, no contribution is too small.

Tips for New Parents

1. Buy a BIG Cub Scout shirt!

These boys grow fast and you'll want to get the most bang for your buck! Size it right and you can use the same shirt for 4-5 years and can save yourself the hassle of having to remove and re-sew patches onto a bigger shirt. Besides, there's nothing cuter than a little Tiger in a floppy uniform shirt! If your scout does end up outgrowing uniform pieces, consider donating them to the Pack so other boys can use them.

2. Read the Handbook.

Each rank has its own handbook that explains in detail the program for earning achievements for that rank. Just about everything you'll ever need to know about scouting is in there...really! Take a couple of hours early on to sit down and read through the handbook. You'll be glad you did!

3. Work on achievements at home.

Every den leader tries to accomplish as much as possible in den meetings, but let's be honest. When you put a few boys together in a room for an hour, sometimes there are unexpected distractions. Plus, it's fun to do things the boys enjoy even if it doesn't fit a specific rank achievement or elective. Plan to do achievements, electives, and belt loops at home occasionally. They are super easy and may be things you already do together as a family...another reason to read the handbook and familiarize yourself with the program. The boys LOVE receiving awards and some are just too easy to pass up! Also, some of the character connections and achievements are really better suited to be discussed as a family so you can incorporate your own experiences and values.

4. Help the Pack go!

Den leaders, Cubmasters, Treasurers, Committee Members (basically any adult you see regularly in a khaki scout shirt) are all volunteers. They have made a commitment to donate their time and talent to the Pack but they welcome any help they can get! There is a lot of work that goes into running a successful Cub Scout program and you don't have to make a major commitment (or wear a khaki shirt) to really add value. Do you like to cook? Do you have access to materials or resources to share with the Pack? Can you call to setup pack outings? Are you good at fundraising? Can you plan a meeting for a den leader? Do you have ideas for den or pack activities? Do you know a charitable organization that the Pack can help serve? Can you come a few minutes early to setup or stay a few minutes late to help clean up? There are countless ways you can contribute!

5. Have Fun!

Above all, have fun with scouting! It's a unique opportunity for you and your son to spend some quality time together and build relationships. Embrace the noise and chaos! Cherish the mess!

Prepared. For Life.®

Laugh at the skits...even the not so perfectly orchestrated ones! Take pictures! What a blessing it is to share a little joy and make memories with these little guys!

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/ Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication.
